

JOURNAL OF CLINICAL AND EXPERIMENTAL PSYCHOPATHOLOGY

*

CUMULATIVE SUBJECT INDEX

VOLUME XIV—1953

AWARENESS—*See Consciousness*

CARBON DIOXIDE INHALATION

—autonomic nervous system tests in carbon dioxide inhalation therapy.... 176

CONSCIOUSNESS

—studies on the physiology of awareness, oximetric analysis of emotion and the differential planes of consciousness seen in hypnosis..... 113

CORTISONE

—effect of cortisone in the treatment of psychotic illnesses..... 161

ELECTRONARCOSIS

—use of the electronarcosis instrument in several types of treatment..... 78

EUTHANASIA

—euthanasia..... 1

EXHIBITIONISM

—exhibitionism, a contribution to sexual psychopathology based on twelve cases of exhibitionism..... 13

FANTASIES

—fantasies in insulin coma therapy, some psychosomatic considerations with a case presentation..... 84, 127

HOSPITALS

general:

—psychiatric activities and instruction at a general hospital..... 139

HYPNOSIS

- studies on the physiology of awareness, oximetric analysis of emotion and the differential planes of consciousness seen in hypnosis 113

INSULIN

- insulin tolerance in schizophrenia 69

INSULIN COMA

- complications resulting from protracted insulin coma 184
- fantasies in insulin coma therapy, some psychosomatic considerations with a case presentation 84, 127
- therapeutic response in insulin coma therapy, a study of vital signs and sensitivity 57

NERVOUS SYSTEM

autonomic:

- autonomic nervous system tests in carbon dioxide inhalation therapy . . 176

NEUROSES

- concept and classification of the neuroses 52

OXIMETRY—*See Oxygen Saturation.*

OXYGEN SATURATION

- studies on the physiology of awareness, oximetric analysis of emotion and the differential planes of consciousness seen in hypnosis 113

PSYCHIATRY

- psychiatric activities and instruction at a general hospital 139

PSYCHOSES—*See also Schizophrenia.*

- effect of cortisone in the treatment of psychotic illnesses 161

PSYCHOSOMATIC MEDICINE

- fantasies in insulin coma therapy, some psychosomatic considerations with a case presentation 84, 127
- studies on the physiology of awareness, oximetric analysis of emotion and the differential planes of consciousness seen in hypnosis 113

SCHIZOPHRENIA

- insulin tolerance in schizophrenia 69

SEX

- exhibitionism, a contribution to sexual psychopathology, based on twelve cases of exhibitionism 13

TESTS

autonomic nervous system:

- autonomic nervous system tests in carbon dioxide inhalation therapy . . 176

TRANSVESTITISM

- case of a female transvestite with marital and criminal complications . . . 95

CUMULATIVE AUTHOR INDEX

Bowles, Lester L., 78

Brodwall, Sverre, 184

Cohn, Jay B., 161

Cowitz, Bernard, 57

Delgado, Honorio, 52

Doust, John W. Lovett, 113

Guttmann, Oskar, 13

Hopkins, G. Wendell, 176

Nadeau, Guy, 69

Redmount, Robert S., 95

Reiner, Elliot R., 57, 84, 127

Rouleau, Yves, 69

Rubinstein, Judah, 161

Rud, Finn, 1, 139

Sagberg, Anne Elisabeth, 184

Scheffen, Albert E., 57

Simon, Werner, 176

Skulstad, Aasmund, 184

Steckler, George A., 161
